In Ontario students are allowed time away from school to attend weekly private music lessons. Many young children do not function at their best between 4:00pm and 6:00pm. We will do our best to accommodate you but cannot guarantee your requested time.

The School Fee partially covers the cost of school building lease, insurance, phone, accompanists, office supplies, studio rental and other expenses of running a music school. The balance of these costs is covered by ongoing fundraising efforts in which students and families take part throughout the year.

The Board makes every effort to ensure that the Teaching and School Fees are comparable to Suzuki Schools in Ontario and nationwide.

### THINGS TO CONSIDER BEFORE REGISTERING:

- Committing to lessons means committing to practice. In the Huntsville Suzuki School students are allowed **one** day off practice a week, though practicing **every** day is even better.
- Can you commit to consistent weekly lesson and group times? If you sign up for group activities, it is important that you attend them.
- Are you able to volunteer to be on the Board in 2023-24? Your input and contributions are important as we commit to growth and continued community involvement.

Thanks for your commitment to music education. Together we will create a musical community with lasting memories for all!
